"Special School for NKVD Foreign Agents"

KIMKI (near
Moscow)

Allegedly this school is operated by the Soviets, dating from 1947 or 1948. The complete instruction plan of this school is in possession of Aleksei Nikolayevich RODZEVICH, SANTIAGO rep of the SOLIDARISTI, White Russian Youth Organization. This info gleaned from an interview between FUGARA's mother-in-law and RODZEVICH some time in 1957.
